CERTIFICATES

Ubuntu

Ubuntu Membership   _5th of May 2016_
Official Ubuntu Membership means recognition of significant and sustained contribution to Ubuntu or the Ubuntu community. In particular, of my continuous collaboration in Ubuntu GNOME.

The Linux Foundation

LFC291-Compliance Basics for Developers   _5th of April 2016_
Because open source is now found everywhere software exists, a good working knowledge of open source licensing and compliance is critical.

EXPERIENCE

elementary OS   elementary.io
Software Localisator   _June 2010 – present_
I contribute to the localisation of elementary OS, a GNU/Linux distribution. Specifically, I coordinate the Catalan and English (UK) Translators teams. I am also a member of the Spanish Translators team.

Ubuntu GNOME   ubuntugnome.org
Marketing Lead   _April 2013 – present_
As Ubuntu GNOME became an official flavour of Ubuntu, I started working on the branding to help build a powerful and recognisable image. Now, my team and I are in charge of all artwork and social-media-related aspects of this young GNU/Linux distribution.
